Dear Invited Summit Attendee,

The National HBCU Alumni Associations Foundation is hosting its 6th Annual National HBCU Alumni Associations Alumni Leaders Conference, Civic Engagement and Advocacy Committee Summit, to be held virtually **Saturday, August 8, 2020, from 9:30 am – 2:30 pm, hosted by the North Carolina Central University Alumni Association, Inc.**

The 2020 conference theme is ***“Expanding Alumni Advocacy for HBCUs in a COVID-19 Environment”***. During the Summit, the focus will be on how the NCCU Alumni Association Civic Engagement and Advocacy Committee (CEAC) launched its “North Carolina Centric Ground Game” of civic engagement and advocacy after last year’s Summit and the collaboration with nonpartisan organizations, students, faculty, faith-based organizations, industry, and federal and community organizations have evolved over time. The Summit is strategically designed to share the lessons learned, the plans ahead, leading to the November elections, and how other alumni associations can design, implement, and execute the same model. Participants will be able to ask questions of facilitators and presenters to build into their association organizational structures this aspect of strengthening and sustaining their organizations through civic engagement and advocacy. We anticipate participants from various HBCUs, including its administrators; faculty; staff; students; alumni; and high school students interested in attending college.

Registration is \$10.00 for NHBCUAAF members before July 31, 2020. Beginning August 1, the registration is \$15.00. If your alumni association would like to join the NHBCUAAF for \$300 before July 31, 2020, you are allowed to have up to five free registrations.
