It is with tremendous Pride that the HBCU Coalition of Pitt County (HBCU CPC) announces that it has awarded a Mini Grant to Elizabeth City State University's Division of Student Affairs (ECSU DSA) in the amount \$5,950.00 to conduct a Student Voter Education, Registration, Mobilization (VREM) and Get Out The Vote (GOTV) Campaign.

HBCU CPC in collaboration with the National HBCU Alumni Associations Foundation (NHBCUAAF), the NCCU Civic Engagement Working Group (NCCU CEWG) and NCCU Alumni Associations' Civic Engagement & Advocacy Committee (NCCUAA CEAC) are aligned to support the student voter participation activities at ECSU. The Mini Grant is designed to 1) employ "student ambassadors"; 2) identify students that are not registered; and 3) execute voter registration campaigns and subsequently to get out the vote campaign for the 2020 National Election cycle.

We are truly excited to partner with the Elizabeth City State University's Division of Student Affairs on this most important civic engagement project.

Please contact hbcupc@gmail.com if you have any questions regarding this announcement or how you can support this initiative.
