It is with tremendous Pride that the National Historical Black Colleges & Universities Alumni Associations Foundation (NHBCUAAF) announce that it has awarded a Mini Grant in the amount of \$8,450.00 to Fayetteville State University's Office of Civic Engagement & Service Learning (FSU OCE&SL) to conduct a Student Voter Education, Registration, Mobilization (VREM) and Get Out The Vote (GOTV) Campaign.

NHBCUAAF in collaboration with the Hometown Broncos Chapter of Fayetteville State University National Alumni Association (HBC FSUNAA), the NCCU Civic Engagement Working Group (NCCU CEWG), NCCU Alumni Associations' Civic Engagement & Advocacy Committee (NCCUAA CEAC) and the HBCU Coalition of Pitt County (HBCU CPC) are aligned to support the student voter participation activities at FSU. The Mini Grant is designed to employ "*student ambassadors*" to identify students that are not registered and execute a voter registration campaigns and a subsequent get out the vote campaign for the 2020 National Election cycle.

We are truly excited to partner with the NCCU CEAC on this most important civic engagement project.

Please contact richardsmith@nhbcuaa.org if you have any questions regarding this announcement or how you can support this initiative.
