

NHBCUAAF™
National Historically Black Colleges & University Alumni Associations Foundation

Dear Prospective Member:

The National HBCU Alumni Associations Foundation (NHBCUAAF) was formed in 2016 to be a resource for over 100 HBCUs and their alumni associations to improve capacity building, membership development, and fundraising strategies. To assist them in these areas, we have increased our visibility and name recognition with federal, state, and local funding organizations. As a result, we have initiated several projects with HBCUs and corporate partners.

The NHBCUAAF is pleased to extend an invitation to you to become a member of the NHBCUAAF. Members of the Foundation are supporters of HBCUs and recognize the importance of this untapped source of future leaders and avenue to groundbreaking research.

We offer two organizational membership levels:

- 1) Non-profit organizations with an annual membership of \$1,000 and
- 2) Corporations with an annual membership of \$5,000.

Your outstanding business acumen, support to community organizations, and respect within your professional community are characteristics that align with the vision and mission of the NHBCUAAF and we would like to have you as a part of the team. Membership into NHBCUAAF includes the following:

- Expanding your sphere of contacts and developing new business networks;
- Contributing to the development of education, leadership, revenue generation, and workforce development;
- Your organization/company logo on the NHBCUAAF website identified as a partner, recognition on event signage and promotional items, and invitations to special events;
- Access to resources in our Speakers Bureau to present on topics of expertise;
- Access to Members of Congress and business leaders;
- Opportunities to host bipartisan meetings that bring together leaders in government, business, and academia to engage in meaningful dialogue regarding issues important to your organization;
- Contributing to the creation of public policy solutions to our most pressing National and International challenges; and
- Fundraising assistance and strategies.

Please complete the attached membership application and partner with a dynamic organization that is helping organizations change and excel.

Sincerely, Ty Couey, President NHBCUAAF

NHBCUAAF Membership Information Form

YES! I would like to support and join the NHBCUAAF. Please complete the information below and return it by mail using the address below and by email to info@nhbcuaa.org.
