

NHBCUAAF™
National Historically Black Colleges & University Alumni Associations Foundation

Dear Prospective Member:

The National HBCU Alumni Associations Foundation was formed in 2016 to be a resource for over 100 HBCUs and their alumni associations for capacity building, membership development, and fundraising strategies. We recognize that alumni associations are important to colleges/universities.

Here's what NHBCUAAF offers you:

- Direct access to subject matter experts in the fields of fundraising; program/project management; contracting/procurement; sexual abuse/harassment; ethics and ethical behavior; constitution and bylaws, policies & procedures; charters; and memoranda of agreement or understanding document development.
- Annual alumni leadership training.
- Opportunities to partner with companies that provide residual income to your organization, with little to no upfront costs to your organization.
- Opportunities to appear or participate in media outreach to promote your university and/or alumni association (*i.e.* magazine articles, newspapers, radio, etc.).
- In-depth perspective of the “real” issues facing HBCUs and a mechanism to prevent or mitigate the effects of them.

We are offering a membership into the NHBCUAAF to individuals. Membership is structured as follows:

- Supporter - \$105 per year
- Investor - \$350 per year
- Sustaining Stakeholder - \$50 (annual contribution by supporters & investors)
- Founding Member – reserved for the original members who established NHBCUAA LLC

We look forward to your membership and being a part of our team.

Sincerely,

Membership Director

Tyrone Couey, President

NHBCUAAF Membership Information Form
